

Kawasaki Water Business Network FY2019 General Assembly

The Kawasaki Water Business Network (KaWaBiz NET) held the Kawasaki Water Business Network FY2019 General Assembly on Friday, July 19, 2019 at the Kawasaki Chamber of Commerce and Industry Conference Hall. The event was attended by 101 people, including Chairman Koizumi (Professor Emeritus, Graduate School of Urban Environmental Science Department of Civil and Environmental Engineering, Tokyo Metropolitan University), Special Deputy Advisor Fujikura (Deputy Mayor of Kawasaki City), and Special Deputy Advisor Nakayama (Deputy Chairman of the Kawasaki Chamber of Commerce and Industry) as well as other 49 members and 8 supporting organizations.

Abolishment of the current code that governs the general assembly and an enactment of new rules were proposed and approved at the beginning of the conference. Furthermore, a report of activities during the fiscal year of 2018 was presented followed by a confirmation hearing among assembly members for the 2019 fiscal year agenda covering three points: 1) support for companies attempting to expand abroad, 2) dissemination of information abroad/providing information to members, 3) Kawasaki City's efforts abroad.

There were two presentations at the conference: one from the Japan External Trade Organization (JETRO) about support projects on expanding abroad, and one from the ASEAN Promotion Centre on Trade, Investment and Tourism (ASEAN Japan Center) about efforts towards promotion of international trade investment in South-East Asia.

KaWaBiz NET will continue to function as a public-private networking platform that strives to enhance the international water environment through achievements in water businesses.
