

KaWaBiz NET successfully ran a booth at "Kawasaki International Eco-Tech Fair 2017" (Results Report)

Kawasaki Water Business Network (KaWaBiz NET) ran a booth at "Kawasaki International Eco-Tech Fair 2017", which was held on February 16 (Thursday) and 17 (Friday), 2017 at the Todoroki Arena.

This exhibit received 15,500 visitors over the 2 days it was held, and our booth was visited by people from 33 foreign countries including Indonesia, China, Korea, Cambodia, India, Colombia, and Mauritania as well as people from internal companies and various organizations, etc.

At our exhibition booth, we introduced KaWaBiz NET's activities and the technologies, products, efforts, etc. of our member companies by using considerably renewed "Kawasaki Water Business Network Business Catalog" and "Promotion Video".

We received consultation from visitors regarding requests for information to our members, network construction, etc. Our catalog was also prepared in both Japanese and English together, with each 120 of them being taken by visitors, and many people expressed interest in the videos introducing our activities.

KaWaBiz NET continues disseminating information to both home and abroad by taking various opportunities to lead to water business for members in the future.
