

## KaWaBiz NET's booth was set up at Kawasaki International Eco-Tech Fair 2013

Kawasaki Water Business Network (KaWaBiz NET) had its booth at Kawasaki International Eco-Tech Fair 2013 held at the Todoroki Arena on Friday, February 1 and Saturday, February 2, 2013.

Attracting 15,200 visitors from Japan and overseas, the Fair aimed to promote international contributions through industrial exchanges and technology transfer in the environmental field by disseminating Kawasaki City's environmental efforts and information on excellent environmental technologies developed by domestic and international companies and providing a venue for business matching.

KaWaBiz NET's booth attracted many visitors from Japan as well as governmental representatives and business people from Australia, China, Vietnam, and Laos. At the booth, panels introducing KaWaBiz NET's outline (mission, list of members, etc.) and activities after its establishment were exhibited. With the brochures of interested member companies distributed, information dissemination and opinion exchange were carried out for KaWaBiz NET and its member companies.
