

KaWaBiz NET held the Laos Development Seminar

Kawasaki Water Business Network (KaWaBiz NET) held a seminar on development to Laos, which has been attracting attentions as a new frontier, in Tokaido Kawasaki Shuku Koryukan on September 1st, 2016 (Thu), cosponsored by Japan External Trade Organization Yokohama Information Center (JETRO Yokohama) and Japan International Cooperation Agency Yokohama International Center (JICA Yokohama).

At the seminar, JETRO presented up-to-date information on the Laos's economy and where to expand an operation; and JICA Yokohama presented the Small and Medium Enterprise overseas development support project. In addition, 2 member companies of Kawasaki Chamber of Commerce and Industry, which have been working in Laos, shared their works and experiences there.

After the seminar was concluded, it received a good reputation from participants saying that it was a precious opportunity where they heard the most updated information and actual voices in Laos.

KaWaBiz NET will continue functioning as a public private networking platform that strives to enhance the international water environment through achievements in water businesses.
