

KaWaBiz NET held an information exchange meeting regarding the PPP project of Indonesian water supply.

Kawasaki Water Business Network (KaWaBiz NET) held a "KaWaBiz NET PPP Information Exchange Meeting Relating to Indonesian

Water Supply" on April 22 (Tue) of this year, and we have just conducted an exchange of information with Mr.Sugawara, Water Supply Policy Advisor of Ministry of Public Works, Indonesia who has been dispatched to Indonesia as a long-term specialist of JICA in the field of water supply.

It has been decided that Water Supply Policy Advisor Sugawara will temporarily return to his country, so that we took this opportunity to hold a "KaWaBiz NET PPP Activity Report Meeting Relating to Indonesian Water Supply" on October 6, 2014 (Mon) jointly with the Yokohama Water Business Conference and the Global Water Recycling and Reuse System Association (General Incorporated Association).

A total of 43 people participated in this meeting including the members of other conventions in addition to 10 members from KaWaBiz NET, and we presented a report on the activities in Indonesia by Water Supply Policy Advisor Sugawara and an introduction of recent notable information in the Indonesian water services project, etc.

At KaWaBiz NET, we will continue to promote the provision of information to members who have an interest in Indonesia's water supply operations and private-public joint projects in the future.
