

Kawasaki Water Business Network FY2016 General Assembly

The Kawasaki Water Business Network (KaWaBiz NET) held the Kawasaki Water Business Network FY2016 General Assembly on July 20, 2016 at the Kawasaki Chamber of Commerce and Industry Conference Hall. The event was attended by 80 people, including Chairman Koizumi (Professor Emeritus, Graduate School of Urban Environmental Sciences Department of Civil and Environmental Engineering, Tokyo Metropolitan University), Special Advisor Fukuda (Mayor of Kawasaki City), and Special Advisor Yamada (Chairman of the Kawasaki Chamber of Commerce and Industry) as well as other 39 members and 9 supporting organizations.

The conference began with a report on activities over the past year. Next, in relation to future activities, participants affirmed the next actions to promote. A) Activity in Ba Ria-Vung Tau Province. B) Support of international contribution of the members. C) Information Service to the members.

And four presentations were carried out. First, introduce Private Sector Partnership Business from Japan International Cooperation Agency (JICA). Second, activity in Bangladesh from Nippon Basic Co.,Ltd.. Third, promotion of international contribution in Bandung city (Indonesia) from Environmental Protection Bureau, City of Kawasaki. At last, introduce consortium for small and medium-sized enterprises that are developing operations overseas from Japan External Trade Organization (JETRO).

KaWaBiz NET will continue to function as a public-private networking platform that strives to enhance the international water environment through achievements in water businesses.

Greetings by Chairman Koizumi (Professor Emeritus, Graduate School of Urban Environmental Sciences Department of Civil and Environmental Engineering, Tokyo Metropolitan University)

Greetings by Special Advisor Fukuda (Mayor of Kawasaki City)
