

Kawasaki Water Business Network holds “Indonesia (Bandung & Makassar) Seminar”

On February 29(Thu), 2024, the Kawasaki Water Business Network (KaWaBiz NET) held the “Indonesia (Bandung & Makassar) Seminar.” The seminar was intended for KaWaBiz NET members interested in participating in the JICA Partnership Programs currently operated by the Kawasaki City Waterworks and Sewerage Bureau. Senior officials from the two cities gave lectures on the current situation and issues with both waterworks and sewerage operations and explained the upcoming schedule for participating in the projects.

As a functional platform for connecting the public and private sectors, KaWaBiz NET will continue to support our members’ water business by providing helpful information through seminars like this one.
